Finding Product Resources

Find materials in 3 ways:

- 1) Quicklinks – these are popular items
- 2) Search box – just type in what you're looking for
- 3) Category – browse by type of materials ([help](#))

The screenshot shows the Carmanah Partner Portal interface. At the top left is the Carmanah logo and 'Partner Portal' text. On the right are navigation links for 'PRODUCTS', 'CORPORATE', and 'CONTACT'. The main content area is titled 'Marine Product Resources'. Under 'QUICKLINKS' (annotated with a yellow circle '1'), there are links for 'Sales Materials' and 'Product Training'. Below this, it lists resources for products M550, M650, M850, and M860, with a note to narrow down resources by clicking on subjects in the right side box. On the right side, there is a search box (annotated with a yellow circle '2') and a 'FILTER BY CATEGORY:' section (annotated with a yellow circle '3') listing various resource types with counts.
